Enduring beauty. Made for real life.

Swirling oak wood grain. Weathered vintage barnwood. Water-smoothed stone.
Nature's artistry amazes and inspires us.

Vivero™, the newest, most durable luxury flooring from Armstrong, captures that beauty with stunning, true-to-life looks – from rough-hewn reclaimed timber to enchanting exotic woods. It is beauty that will stand the tests of time and traffic – because groundbreaking Diamond10™ technology makes Vivero flooring the toughest Armstrong has to offer.

So be inspired. Use the natural artistry of Vivero luxury flooring to create your masterpiece, anywhere in your home. Because with Diamond10 Technology, Vivero flooring endures kids, pets and today's most active homes. It is timeless beauty, made for real life.

Rustic Rediscovered

Inspired by historic handwork and craft, vintage rustic looks are back in style. Rough-hewn, rugged and time-worn looks are bringing authentic character to great spaces of all types, from rural to urban, homestyle to hipster.

Armstrong has captured the distinctive visuals and textures of vintage timber – saw marks, knots and worn grain – in Vivero™ floors, bringing new real-life versatility to a historic, rediscovered favorite.

Stunning Stone

The raw strength of stone has made it the foundation of structures for millennia. And its visual appeal is equally enduring.

From classical Travertine to contemporary concrete styles, Vivero flooring makes marble and stone looks more appealing than ever. With authentic beauty, low-maintenance durability and new plank sizes, Armstrong puts a stylish spin on a trending shape in design.

Timeless beauty that lasts.

Nature-inspired looks are always in style. And with revolutionary Diamond10™ technology – made with real diamonds – the beauty of Vivero™ luxury flooring will look beautiful for years to come.

In fact, the Armstrong® patent-pending Diamond10 technology makes Vivero the newest, most durable luxury floor available from Armstrong, more scratch resistant than competitive products. 100% waterproof, it repels spills and resists dirt, scuffs and staining, making clean-up effortless.

So bring beautiful character and style to any room in your home. Because Diamond10 technology gives Vivero floors the endurance for real life – kids, pets, heavy schedules and heavy traffic. It is ready for anything – just like you.

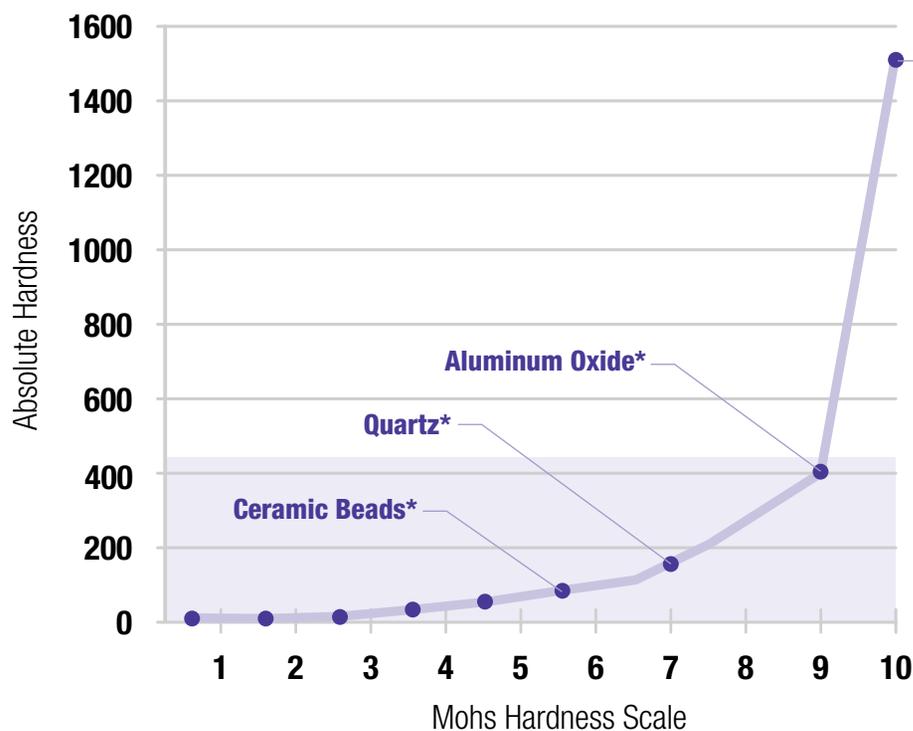

Features Alterna™ (At left)
Artisan Forge | Iron Ore | D4195

Priceless Protection

New and revolutionary, patent-pending Diamond10™ technology is made with real diamonds, nature's hardest substance. This innovative technology from Armstrong makes Vivero™ Luxury Flooring scratch, scuff and stain resistant. It also repels dirt, making clean-up effortless – just sweep and enjoy.

Diamond10 technology is featured on Vivero Best and Better floors

Diamond

Diamonds are nature's **hardest substance**

The **newest, most durable** finish made with real diamonds

*The key ingredients in most competitive finishes

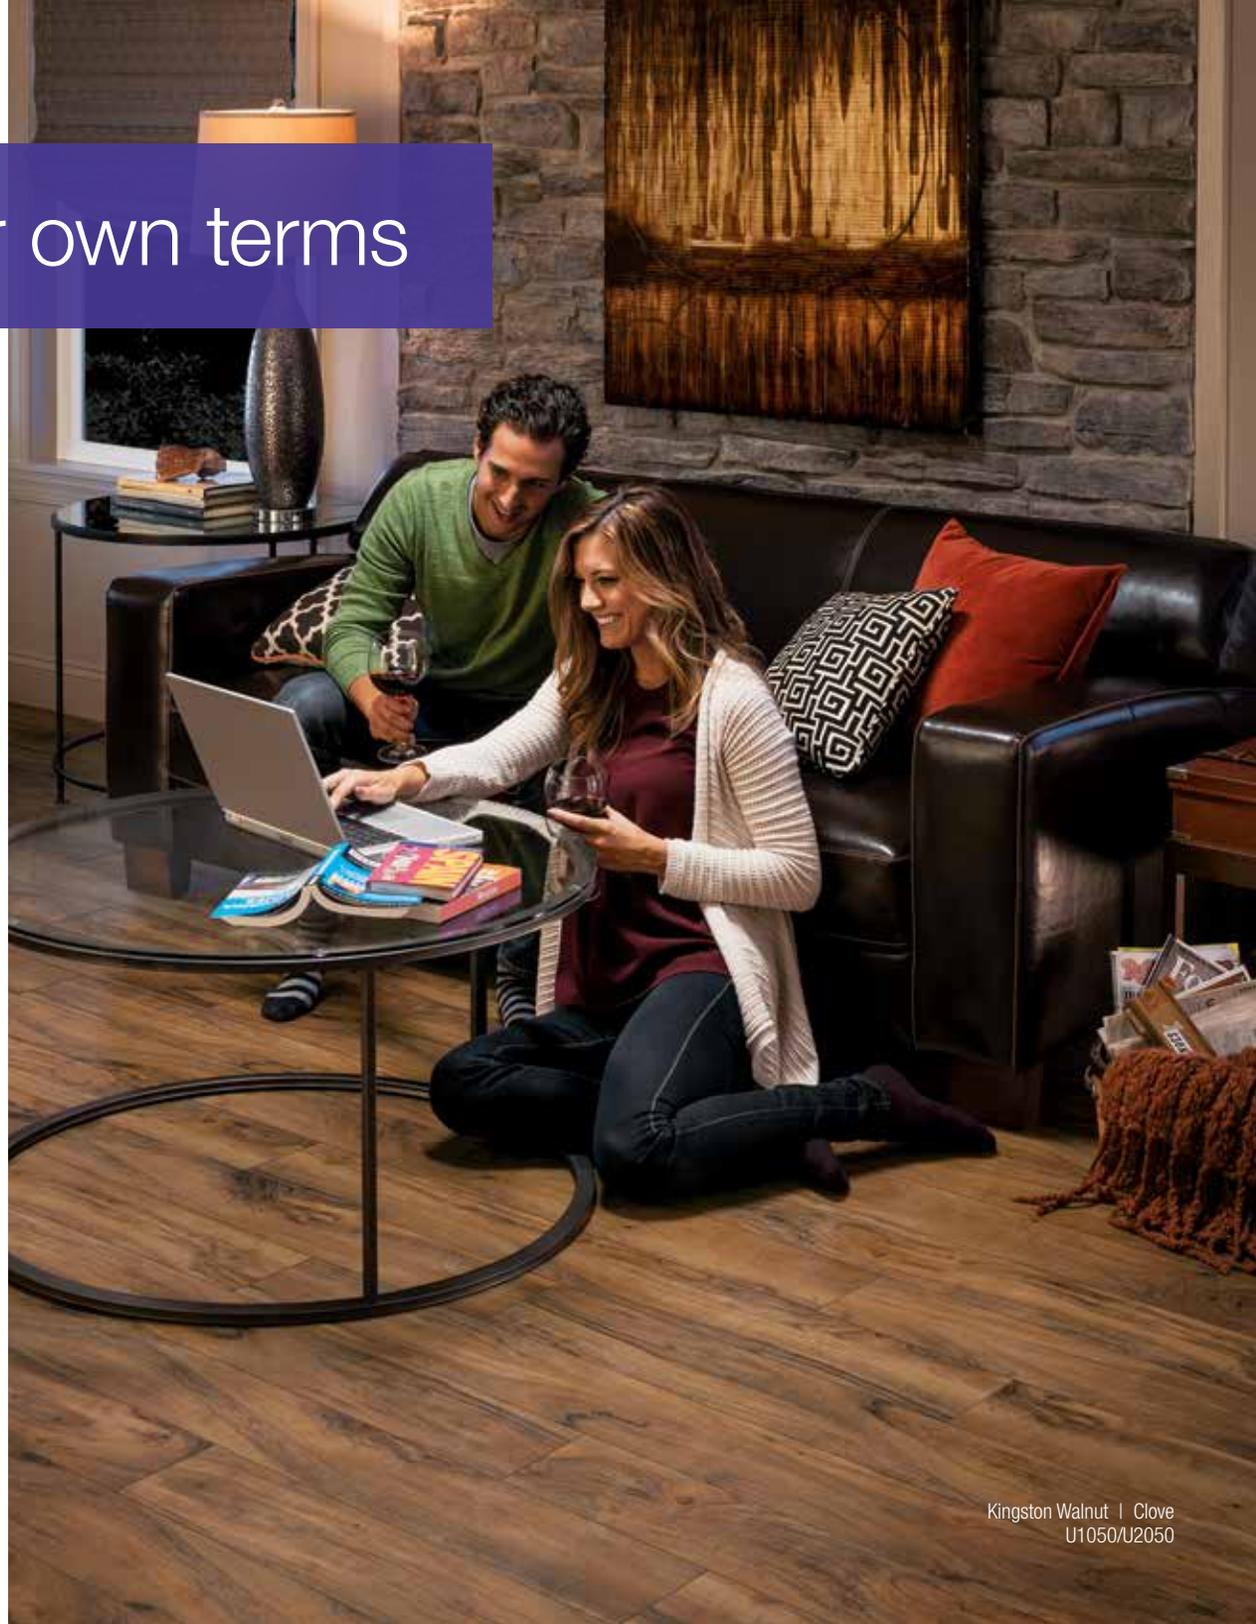

The Mohs scale of mineral hardness characterizes the scratch resistance of various minerals.

Inspiration, on your own terms

Lasting beauty at every level.

Vivero™ luxury flooring comes in looks you'll love, at performance levels you need. You can rely on the solid protection of Urethane Plus finish, or get the ultimate protection of Diamond10™ technology, the newest, most durable finish available from Armstrong. Dependable warranty coverage spans from 15-Year Limited Residential to Lifetime Limited Residential.

No matter what style or performance level you choose, Vivero floors provide maximum installation flexibility with three installation options. Our innovative IntegriLock™ System makes installation a snap, installing easily and securely with minimal prep. Quick and simple angle locking technology spans most subfloors with minimal prep. And traditional full-spread adhesive installation offers maximum stability and more unique design options.
