TimberCuts

SOLID

Styling Tip

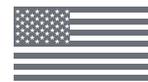

Authenticity is key. Saw marks and natural character combine for a look true to naturally harvested wood. A low gloss finish and multi-width planks also add to the historic beauty of TimberCuts hardwood.

A MODERN REFLECTION OF HISTORIC CRAFTSMANSHIP

The TimberCuts™ hardwood collection delivers the history and heritage of distressed wood with abundant rustic charm and authentic character. Like naturally harvested wood, saw marks and distinctive knots make each TimberCuts floor a one-of-a-kind beauty.

A MODERN REFLECTION OF HISTORIC CRAFTSMANSHIP

The TimberCuts™ hardwood collection delivers the history and heritage of distressed wood with abundant rustic charm and authentic character. Like naturally harvested wood, saw marks and distinctive knots make each TimberCuts floor a one-of-a-kind beauty.

Insights

TimberCuts Engineered wood features knots and raw texture, adding more complexity to each plank. Both circular and straight saw marks make for a dynamic look.

LET THE WARMTH OF WOOD ENLIVEN MORE THAN JUST YOUR FLOOR

On the wall, the carefully crafted textures and tones of wood are dynamic and show stopping. Transform a room from top to bottom with the distinctive character and extraordinary beauty of engineered wood from Armstrong Flooring, Inc., naturally beautiful, ruggedly durable, and an ideal solution for an on-trend look that will last.*
